

Don't Just Sit There, Participate!
Engage and Empower Your Audience Using
Technology

Lets get to know each other...

As seen on...

What can a clicker do?

- Real Time Feedback
- Anonymity
- Comparatives
- Interactive Education
- Team Competition
- Data Collection
- Paperless Evaluations

Real time feedback

Anonymity

Comparative

Interactive Education

Team Competitions

Data collection

Ideas

- Brand your clicker! On the device or on the slide
- One clicker per table
- Offer clickers to all presenters
- Post results immediately

Watch Out!

- How late can we make changes to the presentation?
- What is the replacement cost of a clicker that is lost?
- Who will run the clicker portion of the presentation
- Pre and post event meeting

Paperless Evaluations

Thank You!
