Reach Key Decision Makers in the Special Events Industry

ISES can help you market your company and products to your target audience!

Increase your company's exposure at ISES Eventworld® 2010 – An Institute for Professional Development, August 5-7, 2010 at the Baltimore Marriott Waterfront Hotel in Baltimore, Maryland.

ISES has been dedicated to the professional advancement of Special Event Professionals since our founding in 1987. ISES has over 6,000 members worldwide, and is the sole organization bringing together all segments of the special events industry.

Our annual educational institute offers event professionals an opportunity to gain cutting-edge knowledge in the events industry and build professional connections with their peers and vendors from around the globe. By showcasing your company as outlined in the following pages, you will have access to an eager audience ready to view your products and services. In purchasing products and/or contracting for outside services, more than 80

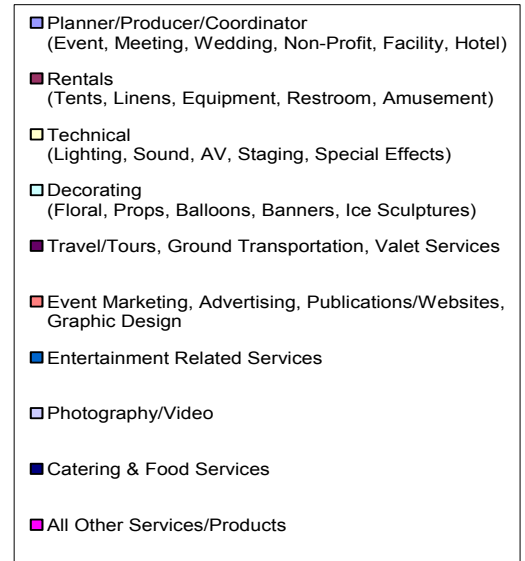

percent of ISES conference attendees have sole purchasing authority or are key decision makers regarding business purchases.

Your company can select from a menu of showcasing opportunities that meet your marketing needs and offer increased exposure at our conference. With over 600 professionals in attendance at last year's conference, it is anticipated that 2010 will be ISES' largest attended event ever! By taking advantage of any of these showcasing opportunities, your marketing efforts will reach their full potential.

If you wish to take advantage of this prime marketing opportunity or have questions or ideas that will fit the format of ISES Eventworld® 2010 – An Institute for Professional Development, please contact Marisa Villalba at ISES Headquarters today at 800/688-4737, 312/673-4841 or mwillalba@smithbucklin.com. We look forward to seeing you in Baltimore!
